

PACKING LIST - 2 WEEKS

Clearly label your child's belongings - first and last name!

LAKE IN THE WOODS

The following is suggested for a two session. These are guidelines for your convenience—adjust to your needs. It is a good idea to send mostly older items since outdoor fun can be hard on clothes. Campers should pack for the full session so they don't have to bring clothing to and from their home on the weekend.

Please assist your camper with packing to help eliminate items arriving at camp that do not belong (cell phones, video games, expensive audio equipment, trendy clothing or expensive jewelry) and items that are prohibited (weapons, tobacco, drugs, alcohol and any other substances that can be used in an illegal manner).
